Remarks

This is a wonderful 4 sided brick ranch home in a great location. Located near 138 and Old National it is just minutes from everything but still has a quiet country feel to it. The back yard is huge! The area closest to the home has been hardscaped with fish ponds and has a large storage/workshop building. Beyond that is large flat grassy area that feeds out into a neighboring meadow, perfect for the kids to play some fall football! This house has been well taken care of and is move in ready!
